Downloads

Download instructions:

Download the SDK from <https://developer.wacom.com/downloads>

- Login using your Wacom ID
- Select Downloads for documents
- [Download Documents SDK for iOS](#)

SDK Contents:

Folder	Contents
Baxter.framework	Contains Baxter library
Documentation	Contains Baxter API documentation (see index.html)
Samples	The sample demonstrates reading the supplied file BaxterSample.pdf
WacomLicensing.framework	Baxter licensing library

SDK Support

Page	Description
CLB Paper Sample.pdf	Sample PDF containing XMP data

Application Development

A sample project is provided to assist with new development.

Build the sample to view the XMP contents of a PDF document.

A demonstration file 'CLB Paper Sample.pdf' is attached, it contains fields created using the WILL SDK for documents.

Open a document then navigate the page and field contents, for example:
